Diweddariad ymgynghoriad

Daeth y cyfnod ymgynghoriad ar Ddyfodol y Bannau i ben ar Fawrth y 4ydd 2022 ar ôl bod ar agor am 17 wythnos. Yn ystod yr 17 wythnos ymgynghorodd Awdurdod y Parc Cenedlaethol gydag ystod o fudd ddeiliaid yn cynnwys llywodraeth leol, byrddau iechyd, busnesau lleol, preswylwyr, sefydliadau partner, staff a llawer mwy. Diolch yn fawr i bawb wnaeth ymateb i'r ymgynghoriad.

Mae adroddiad llawn o'r ymgynghoriad ar gael [yma](#).

Er ein bod wedi gobeithio symud y cynllun draft i fersiwn terfynol yn gyflym, mae'r ymatebion i'r ymgynghoriad wedi gwneud i ni ailfeddwl strwythur y Cynllun. Rydym yn gobeithio ffocysu ar ddeilliannau ar lawr gwlad ac am y rheswm hwn, mae angen ychydig mwy o amser arnom. Rydym felly yn anelu cyhoeddi'r cynllun terfynol ym mis Medi eleni.

Sesiynau Manylu

Fel rhan o'r ymgynghoriad, fe gynhaliom gyfres o 22 sesiwn manylu polisi, gan fanylu ar bob un o'n themâu polisiau. Ar gyfer pob un o'r sesiynau fe wahoddwyd ein budd ddeiliaid i rannu eu safbwyntiau a syniadau ar eu maes arbenigedd.

Cynhaliwyd y sesiynau ar-lein- gan ffocysu ar dri maes o ddatblygiad polisi- beth oedd y polisi'n ddweud, sut byddai'n cael ei roi ar waith a sut byddai'n cael ei fonitro.

Cafwyd presenoldeb da i'r gyfres o seminarau a diolchwn i bawb am roi o'u hamser i gyfrannu.

Ymatebion y Cyhoedd

Yn ogystal â'r ymgynghoriadau manylu, rydym wedi casglu tua 100 o ymatebion eraill. Mae'r ymatebion yn gyffredinol gefnogol o weledigaeth, nodweddion arbennig a'r model fframwaith cylch a'r casgliad o bolisiau tuag at weithredu'r cynllun. Roedd llawer o ganmol natur gyflawn y Cynllun a bod pobl yn teimlo bod sylfaen gadarn wedi ei greu ar gyfer budd ddeiliaid. Ond, roedd peth pryder wedi codi am y gallu i gyflwyno, ymestyn y dyheadau a lefel y manylion yn y cynllun. Galwodd rhai arnom i weithio yn agosach gyda'n cymunedau. Mae'r adlewyrchiadau hyn yn rhai rydym yn ei brosesu ac yn bwriadu eu cyflwyno i'r bwrdd yn y modd rydym yn mireinio'r cynllun cyn ei gyhoeddi.

"Hoffwn gymryd y cyfle i ddiolch i bawb gyfrannodd i'r ymgynghoriad. Mae eich cyfraniadau wedi rhoi mewnwelediad gwerthfawr o farn pobl, o'r wybodaeth a'r profiadau sy'n bodoli o fewn y Parc. Mae eich parodrwydd i roi eich amser a'ch arbenigedd wedi cael dylanwad dwfn ar gyfeiriad y Cynllun a gobeithio yn gychwyn ar lwybr cyflwyno canlyniadau ar lawr gwlad."

Beth nawr?

Mae casgliadau'r ymgynghoriad wedi gwneud i ni feddwl am gyfeiriad y Cynllun at y dyfodol. Mae llawer o'r sylwadau wedi son am sut byddai anhawster deall sefyllfa polisiau yn cael ei weithredu ar lawr gwlad. O wynebu'r her hon rydym wedi penderfynu gweithio ymhellach gydag ein partneriaid i adnabod y gweithredoedd allweddol sy'n angenrheidiol er mwyn troi dyheadau uchelgeisiol Bannau'r Dyfodol yn realiti. Os byddech chi neu'r sefydliad rydych yn cynrychioli'n hoffi bod yn rhan o'r newid hwn, cysylltwch gyda ni fel gallwn eich cynnwys yn ein gweithdai cynllunio yn y dyfodol. npmp21@beacons-npa.gov.uk

Future Beacons

The Management Plan for the Brecon Beacons National Park

Consultation Update

The public consultation window for Future Beacons closed on the 4th of March, 2022 after being open for 17 weeks. During those 17 weeks, the National Park Authority engaged with a range of stakeholders, including local government, health boards, local businesses, residents, partner organisations, staff and many more. Many thanks to all those who responded to the consultation.

A report of the consultation is available here in full [here](#).

Although we had hoped that we would be able to quickly take the draft plan to a finalised version, the consultation responses have actually made us rethink the way the Plan is structured. We are hoping to focus more on defining on the ground outcomes and for this reason, we need a bit more time to finalise. As such, we are now aiming to publish the final plan in December of this year.

Deep Dive Sessions

As part of our consultation, we held a series of 21 'deep dive' policy sessions, which covered all our topic based policies in depth. For each of the sessions, we invited out stakeholders to share their opinions and thoughts on their area of expertise.

The sessions took place online - and focused on three key areas of policy development - what the policy said; how it would be implemented and how it would be monitored.

The seminar series was well attended and we thank all those that gave up their time to contribute.

Public Responses

In addition to the deep dive consultation, we have collected just under 100 other responses.

The comments have been generally supportive of the vision, special qualities, our doughnut framing model and the suite of policies towards implementation. There was a lot of praise for the comprehensive nature of the Plan and respondents felt that foundations had been set for future stakeholder engagement.

However, there were some concerns raised around deliverability, spread of ambition, and the level of detail contained in the plan. Some respondents issued a call to us to work in closer collaboration with our communities. Reflections that we are processing and aim to take on board in the way we refine the plan prior to publication.

"I want to take this opportunity to thank all those who contributed to the consultation. Your contributions have given us an invaluable insight into the views people hold, and the breadth of knowledge and experience held within the Park. Your willingness to give your time and expertise has had a profound impact on the direction of the Plan and hopefully started us on a pathway to deliverable outcomes on the ground"

What Next?

The findings of the consultation have really made us think about the future direction of the Plan. Many comments talked of the difficulty of understanding how the policy positions would lead to action on the ground. Given this fundamental challenge we have decided that we need to work further with our delivery partners to help identify key actions needed to make the ambitious vision of Future Beacons a reality.

If you or the organisation you represent would like to be part of this transformative change on the ground please get in touch so we can include you in our future action planning workshops.
